### AZA Member Registration Priority:

Include your AZA Individual Member number on your Registration form. If it is not listed, you will be charged the non-member rate and not given registration priority. If you have applied for membership please write "Pending" on the membership line and write the approximate date you sent in your membership application. If you would like to join AZA, contact the Membership department at 301.562.0777. Non-members will not be admitted into a course before the Member Priority Date.

### Wait List:

If a course fills, students will automatically be placed on a waiting list and contacted if space becomes available. The number of spaces available on the waiting list varies from course to course every year. The full registration fee and any credit fees will be refunded if you are on the waiting list and space does not become available in the course.

### Cancellations and Refunds:

In order to receive a refund (less a \$50 processing fee), AZA's Training Department must be notified in writing on or before the late fee deadline and any student materials returned. If materials are not returned, refund will be reduced by \$100. If registration is cancelled after the late fee deadline or if a registrant does not attend (no-show), the full fee is retained.
